- Android Studio

CORE WORK SKILLS

- Team Management
- Community Skills
- Decision-Making
- Flexible & Agility
- Team Work & Collaboration

PROFILE SUMMARY

I'm a senior Bachelor of Science in Information Technology student at PHINMA University of Pangasinan, driven to gain meaningful hands-on experience in real-world IT environments. I'm eager to learn emerging technologies, adapt to industry standards, and continuously strengthen my technical and problem-solving skills. With a strong willingness to grow, collaborate, and take on new challenges, I aim to develop into a reliable and versatile IT professional in today's fast-evolving digital world.
